Dear Sir.—When I commenced my course with you in Dramatic Art, which includes your method of deep breathing and physical culture, my chest expansion was but two (2) inches. I practiced my exercises faithfully, and at the ond of one week my expansion had increased to 5 inches. After the eighth lesson it was 7% inches, and I am rapidly gaining in weight and strength. I chestfully recommend your methods, as they are all you claim for them and much more.
